¹ Some project owners may opt to decline incentives to avoid requirements that are tied to such incentives. For example, a project owner may not want to pay prevailing wages on his project that is budgeted over \$50,000 (the prevailing wage threshold). He thus forgoes receiving the sales tax exemption incentive through the enterprise zone, but will still receive the property tax abatement.

SECTION 7: Each contractor or subcontractor purchasing materials needs to fill out Section 7.
You therefore may need to make copies for each contractor or subcontractor.

**Peoria Urban Enterprise Zone
Sales Tax Exemption Incentive and Requirements**

Each retailer who makes a qualified sale of building materials to be incorporated into real estate in the Peoria Urban Enterprise Zone for the purpose of remodeling, rehabilitation or new construction, may deduct receipts from such sales when calculating the tax imposed by the State of Illinois under and pursuant to Retailers' Occupation Tax Act (35 ILCS 120/5k), subject to all of the following conditions being met:

- i. The County or Municipality has issued a building or other permit required by any of the applicable codes or ordinances of the County or Municipality;
- ii. The project or property owner seeking an incentive does not owe any fines, fees or overdue taxes;
- iii. The State of Illinois has issued a certificate of approval, to the start of construction, a copy of which is required to be provided to the applicable retailer at the time of sale and maintained by such retailer in its books and records for the purposes of documenting any such deduction;
- iv. The exemption allowed hereby shall be limited to and shall only apply to any remodeling, rehabilitation or new construction of any commercial, industrial, or manufacturing building or structure within the zone where the total amount of the project, as per the building or zoning permit, exceeds \$5,000;
 1. **If the total amount of any commercial, industrial or manufacturing project as per the building or zoning permit exceeds \$50,000 it must be constructed using prevailing wage rates** or show proof that a project labor agreement has been entered into in order to qualify for the Enterprise Zone sales tax exemptions; however, if a property owner does not apply for or seek any sales tax exemption incentives through the Enterprise Zone, that property owner is not required to pay the prevailing wage rates required herein;
 2. A project owner, developer, contractor or subcontractor seeking Enterprise Zone incentives shall sign a prevailing wage agreement and submit certified payroll documentation to the Zone Administrator, or other requested documentation, as proof that prevailing wage requirements pursuant to this Agreement are being followed;
 3. If the Designating Local Governments, Zone Administrator or Zone Management Organization discover that a project owner, developer, contractor or subcontractor has not followed prevailing wage requirements pursuant to this Agreement, the project owner, developer, contractor or subcontractor shall be liable for the difference between what was paid to workers and the prevailing wage for all hours worked, as well as, owe the Zone Management Organization a 20% penalty of the underpayment. In addition the worker(s) is owed 2% of the amount of any such penalty for each month during which underpayments remain unpaid. For a second or subsequent violation the 20% penalty is increased to 50% and the 2% penalty is increased to 5%.
- v. The exemption allowed hereby shall also be limited to and shall only apply to any remodeling, rehabilitation or new construction of any owner-occupied residential building or structure within the zone where the total amount of the residential project, as per the building or zoning permit, exceeds \$5,000.
 1. An owner-occupied residential building or structure shall be defined as a structure capable of housing two or less family units.

**Peoria Urban Enterprise Zone
Property Tax Abatement Incentive and Requirements**

The property owner affirms that this application for property tax abatement meets the conditions set forth in designating ordinances of the Peoria Urban Enterprise Zone (listed below):

1. The County or Municipality has issued a building or other permit required by any of the applicable codes or ordinances of the County or Municipality.
1. The project or property owner seeking an incentive does not owe any fines, fees or overdue taxes;
2. The project has been certified by the zone administrator or State of Illinois.
3. Abatement of taxes on any parcel shall not exceed the amount attributable to the construction of the improvements and the renovation or rehabilitation of the existing improvements on such parcel.
4. Such abatement shall be allowed only for commercial, industrial or manufacturing property located within the Zone Area.
5. Such abatement shall be for five years at the rate of 100% for the first three years and at the rate of 50% for years four and five, commencing the first year after any improvements have been assessed.
6. As part of the application process for certification of a project, the project owner or owner of the property where a property tax abatement would occur shall agree to not pursue a reduction in assessed value of the property for a minimum of five (5) years following the expiration of the property tax abatement period.
7. The abatement shall apply only to improvements commenced within the Enterprise Zone after designation of the Enterprise Zone by the Designating Local Governments and certification by the State.
8. Any abatement which commences prior to the expiration of the Enterprise Zone shall not continue beyond the expiration of the Enterprise Zone.
9. Any abatement shall also apply within territory lawfully added to the Enterprise Zone subsequent to its certification by the State and shall also apply to any lawfully authorized term extension of the Enterprise Zone.
10. The following provision will apply to all projects involving demolition and new construction:
Any project which involves new construction on a site which previously was occupied by a building(s) will receive the real estate tax abatement on a "net new" basis. That is, the increased assessment amount to be abated will be based on the most recent assessment of the property which included the valuation of the property which included the valuation of the land and original building(s).
11. In the case of property within a redevelopment area created pursuant to the Real Property Tax Increment Allocation Redevelopment Act no abatement shall be granted.

Property tax abatement applies only to the **increase** in assessed value attributable to the new construction, renovation, or rehabilitation. Participating taxing districts in the Enterprise Zone Abatement Program include: *City of Peoria, County of Peoria, Village of Peoria Heights, City of West Peoria, Village of Bartonville, Village of Mapleton, and Village of Bellevue*. Property taxes based on the assessed value of land and existing improvements continue to be extended and collected.
